Portfolio: [Meenuga Sai Preethi | Python Full Stack Developer](#)

PROFESSIONAL SUMMARY

Aspiring Python Full Stack Developer with hands-on experience in **Python, Django, React, JavaScript, and REST APIs**. Skilled in developing secure, responsive web applications and passionate about building scalable software solutions using modern technologies.

TECHNICAL SKILLS

Python | JavaScript | SQL | React | Django | Django REST Framework | REST APIs | JWT Authentication | HTML5 | CSS3 | Tailwind CSS | Git | GitHub | Postman | VS Code | Vercel | Render

InterviewIQ | AI-Powered Interview Preparation Platform

React • Django • DRF • JWT • Tailwind CSS

- Developed a full-stack interview preparation platform featuring JWT authentication, resume analysis, mock interviews, and REST APIs.
- Built responsive React interfaces and deployed the application using **Vercel** and **Render**

GitHub Repository: (<https://github.com/meenugasaiPREETHI-MBSN/InterviewIQ.git>)

Live Demo: (<https://interview-iq-lex6.vercel.app/>)

Quantum Secure Payment System

Python • Django • Streamlit

- Developed a secure payment system prototype using **BB84** quantum key distribution concepts.
- Implemented authentication, transaction history, and secure transaction simulation.

GitHub Repository: (<https://github.com/meenugasaiPREETHI-MBSN/Quantum-Secure-Payment-App.git>)

Live Demo: (<https://quantum-secure-payment-app.vercel.app/>)

Personal Portfolio Website

HTML • CSS • JavaScript

- Designed and developed a responsive personal portfolio showcasing projects and technical skills.
- Optimized for desktop and mobile devices and deployed on **Vercel**.

GitHub Repository: (<https://github.com/meenugasaiPREETHI-MBSN/Portfolio.git>)

Live Demo: (<https://portfolio-xiec.vercel.app/>)

EDUCATION

Bachelor of Technology (B.Tech) - 2026

Computer Science & Engineering - Sri krishnadevaraya university college of engineering and technology

Percentage : 9.1%

Achievements: NCC Junior Under Officer (JUO) | NCC 'B' Certificate | NCC 'C' Certificate
